

MAXIMA TYT 5W-30

Fully Synthetic Motor Oil

Description

It is a new generation motor oil formulated with synthetic base oils and special additives, designed for gasoline or hybrid passenger and light commercial vehicles that require ACEA C2 or C3 performance level motor oil. It is particularly recommended for TOYOTA vehicles.

Applications

MAXIMA TYT 5W-30 is a motor oil designed for gasoline or hybrid passenger and light commercial vehicles that require ACEA C2 or C3 performance level motor oil. It minimizes friction during operation, reducing wear and tear. It provides fuel economy, long service life, and extended oil change intervals. It is particularly recommended for TOYOTA vehicles.

Benefits

- Provides product optimization in the large vehicle fleets consisting of different brands.
- Provides high engine performance.
- Extends the life of the exhaust emission systems.
- Protects the environment by providing contribution to the production of low emission.
- Ensures that engine remains clean by reducing the formation of residue and sediment.
- Helps with fuel economy.

Performance

API SP/CF, ACEA C2/C3

Typical Specifications*

SAE Viscosity Grade		5W-30
Density, 15 °C, kg/liter	ASTM D4052	0,849
Flash Point, COC, °C	ASTM D92	220
Viscosity, 40 °C, mm ² /s	ASTM D445	67,1
Viscosity, 100 °C, mm ² /s		11,60
Viscosity Index	ASTM D2270	165
Pour Point, °C	ASTM D97	-33

*Values shown may differ between productions.
